Dynamite Joint Venture

Enix/Mendelson LLC announced it has formed a joint venture between two of the nation's elite QuickBooks and Accounting Technology consulting firms. Enix & Associates, LLC (Orlando & Tavares, Florida) and Mendelson Consulting, Inc (Pembroke Pines, Florida) have joined forces to create Tampa Bay's premier QuickBooks Technology Solution Provider.

"We could not be more excited about combining the resources of Enix & Associates with Mendelson Consulting," said David Enix, President of Enix & Associates, LLC and partner of Enix/Mendelson LLC. "This will allow us to better serve our growing West Coast client base as well as acquire new opportunities with our combined resources," said Mario Nowogrodzki, CPA/CITP, principal of Mendelson Consulting and partner of Enix/Mendelson LLC.

As the nation's first Intuit Solution Provider, Mendelson Consulting has been providing QuickBooks and information technology consulting services to a great number of companies of all sources and sizes throughout the entire continental United States, Caribbean and South America, since 1992.
